

JUDGES INFO
Metropolis Super City Blues & Ques
October 8 & 9, 2010

Thank you for your interest in judging our KCBS Contest. If you decide you want to judge, fill out and return the next page, and we will consider that your confirmation. Our contest is two days, with the “anything but” categories on Friday evening, October 8. Saturday, October 9, it’s all about the BBQ! Both days we’ll have live bands playing on stage, vendors selling their wares, and a beer garden for those who are interested. Metropolis is the home of Superman, with a huge statue and museum in his honor, and Harrah’s Casino is located one block from the BBQ contest site. At the edge of town is Fort Massac State Park, the oldest State Park in Illinois. There’s a lot to do, here!

Directions from I-24

Take exit 37, head west toward Metropolis. You are on US-45. Stay on highway until you come to Ferry Street. Turn left, go one block, and you will be in BBQ’ville!
